## CERTIFICATION OF TAXABLE VALUE

Assessed Valuation – includes all real, personal and centrally assessed valuation in the school district. The assessed valuations are certified by the county assessor and provided to the school on or before August 20<sup>th</sup> each year. The assessed value is used to calculate the levy and request using the following formula:

$$\frac{\text{Property Tax Request} \times \text{Assessed Valuation}}{\text{Assessed Valuation} \times 100} = \text{Property Tax Levy}$$

**10 Year History** – The assessed valuation for the Boone Central School District has increased \$629,069,266 (68%) over the last 10 years.
